Judith Navó

3D Artist

I am a 3D artist and visual creator with experience in modelling, lighting, and animation in Blender. I like to take care of every detail of the creative process, from design to final presentation. I enjoy working in a team and learning new techniques that help me continue to improve as a professional.

Work Experience

UTE EAS Barcelona Airport (2025)

Car park operator

Customer service, access control, basic maintenance and incident management.

Escola Fluvià (2023)

IT technician

I installed and configured hardware and software, diagnosed and resolved problems, and produced technical documentation.

Sede Adira BCN (2021-Actualidad)

Volunteer

I keep the space where humans and cats live together clean. I monitor their well-being and ensure a safe environment.

Education

Higher Degree in 3D Animation, Games and Interactive Environments, Virtual Worlds, AR and Gamification

Institut Tecnològic de Barcelona (2024 - Present)

Intermediate Degree in Microcomputer Systems and Networks

Institut Tecnològic de Barcelona (2022-2024)
